

# SIBLEY IN THE COMMUNITY

## COVID-19 IMPACT

### COMMUNITIES OF COLOR & OLDER ADULTS

**48,000** cloth masks for seniors, families & essential workers

**40,000** surgical masks, gloves & PPE donated to community health centers

**\$10,000** for diapers, disinfection & child education items for families

**1,000** seniors & care partners in Club Memory receive ongoing reminder calls & engage in virtual meetings, town halls & webinars

**\$120,000** raised for the Health Disparities Fund which provides resources to residents & organizations in high needs communities

During the first 120 days, our focus was to target resources for those hardest hit by the pandemic. Beyond protecting our frontline staff, Sibley collaborated with 27 partners who work in communities of color in Washington, D.C. We also engaged 70+ Sibley staff members to support these efforts.
